

Abraham, Why did you obey God when asked to sacrifice Isaac?

Story # 16 The Trial of Abraham (Genesis 22)

By Helen Miehle

He's the Creator of the Universe.
His awesome voice electrified the air.
Crimson cloud wisps underlined His words
An angel appeared saying, "Stop! Don't hurt your heir!"
I obeyed Him since nothing's impossible for Him.
He said my kin would outnumber the stars in the sky.
Though it almost broke my heart, I'd do it again.
I obeyed Him since I knew He would provide
and because He's God Almighty, El Shaddai.
