

Story 194 - Calming Two Storms
Miracles
Beverly Carmichael

Chorus:

Jesus loves doing miracles.
He healed the sick – calmed the sea.
The divine miracles that amaze me the most
Are the ones He has done for me.

Verse:

As Jesus slept on the boat in a storm,
Crashing waves gave his disciples a chill.
They awoke Him with trembling fear in their souls.
He spoke and the waves stood still
“What kind of man is this?” they asked
That even the waves obey.
What kind of God can calm the storms
And make everything o.k?

Chorus:

Verse:

A possessed man known as Legion
Shouted, “You’re Jesus, Son of Most High.”
Jesus cast his demons into 2000 pigs
Who raced to the sea to die.
When the healed man asked to go with the Lord,
Jesus gave him work to do.
“Go tell everyone of the Mercy of God”
“Tell them what He has done for you.”

Chorus:
